9. FRANCE (F)

Pursuant to Article 38 of Regulation (EEC) No 259/93, the French Government designates as competent authorities:

- for exports or re-exports of waste to ACP States (African, Caribbean and Pacific states), the prefect of the department in which the installation that produced the waste or, where appropriate, the preprocessing installation that produced the waste is located;
- for imports, the prefect of the department in which the waste disposal installation is located;
- for transits, the minister responsible for the environment.

Competent authority for waste transit :	
Ministère de l'écologie et du développement durable DPPR/SDPD 20 avenue de Ségur 75302 PARIS 07 SP	Tel : + 33 1 42 19 15 56 Fax : + 33 1 42 19 14 68
Competent authorities of dispatch and of destination. <i>The French competent authority for exportation or importation is the préfecture of the département where is located the facility which produces or treats the waste. The address of this facility has a five digits code number. The two first digits of this code (or the three first digits in the case of départements d'outremer) represent the number of the département, that is to say the number of the competent préfecture.</i>
