ROMANIA

Dear Mr Dinescu,

Thank you for your letter of 23 March 2015 informing me about the protest action organised by the National Union of Road Hauliers from Romania together with the hauliers associations from the Czech Republic, Hungary and Poland, against the regulations on German and French minimum wages as well as French law no. 2014-790.

The issues addressed in your letter have been profoundly discussed in the Committee on Transport and Tourism, which is the committee responsible for transport issues in the European Parliament.

I would like to assure you that the European Parliament agrees that the situation should be thoroughly examined. The Parliament will follow the regulations mentioned in your letter with great attention. I have transmitted your letter to the Committee on Transport and Tourism, as this committee is planning further discussions related to a free and fair competitive market for road hauliers.

Yours sincerely,

Martin Schulz
